SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

AVIS AUX IMPORTATEURS ET EXPORTATEURS.

1. On attire l'attention des importateurs et des exportateurs sur les dispositions de la proclamation de Sa Majesté en date du 9 septembre relative au commerce avec l'ennemi. Par le paragraphe 5 (7) de la dite proclamation, toutes les personnes résidant, faisant affaires ou se trouvant dans les possessions de Sa Majesté sont prévenues "de ne fournir ni directement ni indirectement à ou pour l'usage ou le bénéfice d'un pays ennemi ou d'un ennemi ou d'en obtenir des marchandises, effets ou articles quelconques, ni de fournir directement ou indirectement à ou pour l'usage ou le bénéfice de toute personne que ce soit ou d'en obtenir des marchandises, effets ou articles quelconques pour les transmettre à ou d'un pays ennemi ou d'un ennemi, ni trafiquer directement ou indirectement ou transporter des marchandises, effets ou articles quelconques destinés à ou venant d'un pays ennemi ou d'un ennemi." Il est en outre statué par le paragraphe 3 que l'expression "ennemi" dans la proclamation signifie "toute personne ou association de personnes d'une nationalité quelconque résidant ou faisant affaires en pays ennemi, mais ne comprend pas les personnes d'une nationalité ennemie qui ne résident ni ne font affaires en pays ennemi. Dans le cas de corps constitués en corporation, le caractère d'ennemi ne s'attache qu'à ceux de ces corps qui sont constitués en corporation en pays ennemi." Par la proclamation du 16 février 1915, les prohibitions dans la proclamation ci-dessus mentionnée du 9 septembre 1914, sont étendues de manière à s'appliquer au territoire occupé militairement de façon effective par un ennemi, comme elles s'appliquent à un pays ennemi.

2. Avis est donné par le présent que dans le but de prévenir toute infraction à la dite proclamation, les importateurs pourront être tenus de produire des certificats d'origine émis par les officiers consulaires de Sa Majesté et les exportateurs pourront être aussi tenus de faire des déclarations au sujet de la destination ultime de leurs marchandises.

3. Les déclarations au sujet de la destination ultime des marchandises exportées à tout endroit étranger en Europe ou dans la mer Méditerranée, excepté ceux qui sont situés en Russie et en France, doivent maintenant être faites en vue des dispositions de l'article 5 (1) de la loi dite "The Customs (War Powers) Act, 1915," aux percepteurs ou autres préposés aux douanes ou à l'accise qu'il appartiendra, en conformité des arrêtés relatifs aux douanes émis sous l'empire de l'article 139 de la loi dite "The Customs Consolidation Act, 1876," tel que prorogé par l'article 2 de la loi dite "The Customs (War Powers) Act." Il ne sera plus nécessaire, à l'avenir, de faire les déclarations statutaires qui étaient faites jusqu'ici devant des juges de paix ou des commissaires qui font prêter serment.

4. Pour le moment, il ne sera pas nécessaire de produire des certificats d'origine au sujet de l'importation des effets personnels et des meubles de ménage *bona fide* de personnes entrant en ce pays, de substances alimentaires, de bois de construction de tout genre (y compris des étais "pit-props"), carton-paille, pâte de bois mécanique, fleurs coupées, lin ou graine de lin, minerais de fer, granit, pavés en granit, pierre à pavage, margelles, ardoise, huile de foie de morue, glace, marbre, albâtre, terre de sienne, goudron, carbure de calcium ou cyanamide de calcium, ou au sujet de toute importation d'endroits autres que ceux situés en Norvège, en Suède, au Danemark, en Hollande, en Suisse et en Italie, ou au sujet de marchandises importées d'un pays allié par voie d'un pays neutre sur un connaissement d'entier parcours ou colis postal d'entier parcours, ou au sujet de marchandises d'origine ennemie importées sous permis. Les certificats dont il est fait mention doivent être faits selon la formule prescrite à l'annexe du présent avis.

5. Tous les articles, effets ou marchandises importées des endroits étrangers ci-dessus mentionnés, sauf tel que prévu au paragraphe 4, qui ne sont pas accompagnées de certificats d'origine, seront détenues par les Commis-

saies des douanes et de l'accise jusqu'à ce que les certificats requis soient produits. Les Commissaires, en ce cas, et à leur discrétion, peuvent cependant permettre la livraison de marchandises sur la garantie d'un dépôt ou d'une obligation pour la somme de trois fois la valeur des marchandises, dans le but d'obtenir la production des certificats nécessaires sous une période prescrite, pourvu qu'ils n'aient aucune raison de supposer que les marchandises proviennent d'un territoire ennemi.

6. Le présent avis entrera en vigueur à compter du 3 mai 1915.

Board of Trade,
26 avril 1915.

Et il plaît en outre à Sa Majesté, par et avec l'avis susdit, de déclarer qu'avis de réquisition donné à un propriétaire de tout tel bateau à vapeur ou de l'espace isolé dans ce dit bateau à vapeur ou au propriétaire gérant ou aux propriétaires gérants conjoints de tout tel bateau à vapeur, sera jugé suffisant et effectif s'il est donné, dans le cas d'un propriétaire ou propriétaire gérant individuellement, en l'adressant à ce propriétaire ou propriétaire gérant individuellement, et en le laissant à son adresse enregistrée ou à son lieu d'affaires ou à sa demeure connue en dernier lieu, et dans le cas de propriétaires conjoints ou de propriétaires gérants conjoints en l'adressant à ces dits propriétaires conjoints ou propriétaires gérants conjoints et en le laissant à l'adresse enregistrée ou aux lieux d'affaires ou demeures connues en dernier lieu de ces dits propriétaires conjoints ou propriétaires gérants conjoints, et dans le cas d'une compagnie ou d'une corporation, en l'adressant à cette compagnie ou corporation et en le laissant à l'adresse enregistrée ou autre adresse de cette dite compagnie ou corporation, ou dans le cas d'un propriétaire ou de propriétaires (soit des particuliers, des compagnies ou des corporations) d'un bateau à vapeur, en l'adressant au capitaine du navire du propriétaire gérant ou autre personne à laquelle l'administration du navire est confiée selon la loi par ou au nom du propriétaire ou des propriétaires, à l'adresse enregistrée ou demeure connue en dernier lieu de ce dit capitaine du navire du propriétaire gérant, ou autre dite personne, selon le cas, et qu'avis de réquisition donné à l'affréteur (s'il y en a) de tout tel bateau à vapeur, sera jugé suffisant et effectif, en ce qui concerne ce dit affréteur, s'il est donné de la même manière que celle prescrite pour un propriétaire ;

Et il plaît en outre à Sa Majesté, par et avec l'avis susdit, de déclarer que tout avis de réquisition qu'un Secrétaire d'Etat ou le Président du Board of Trade, respectivement, fera donner en vertu du présent arrêté, pourra être signé par toute personne autorisée à cette fin de temps à autre, soit généralement ou spécialement, par tout tel Secrétaire d'Etat ou Président du Board of Trade, selon le cas.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que sous l'empire des dispositions de la *Loi récompensant certains volontaires, 1908*, un certificat de concession d'un des terrains octroyés aux volontaires du Sud-Africain, certificat portant le n° 2424 et daté le 4 décembre 1908, a été délivré à John Gordon Davis, de Vancouver, Colombie-Britannique, en récompense de ses services dans le Sud-Africain. A Davis ou à son substitut dûment qualifié ce certificat donnait droit de choisir et d'inscrire comme homestead deux quarts de section contigus de terres fédérales disponibles pour l'inscription de homestead, et d'en obtenir la patente dès qu'il aurait prouvé à la satisfaction du Ministre de l'Intérieur qu'il était dûment inscrit et qu'il avait résidé sur ce terrain et l'avait cultivé ainsi que prescrit par l'article 4 de la *Loi récompensant certains volontaires, 1908*;

Le Ministre ajoute que le certificat en question, en-dossé conformément aux dispositions de la *Loi récompensant certains volontaires, 1908*, et ses amendements, en faveur de Paul Boytinck, cultivateur, de Grouard, Alberta, substitut dûment qualifié du dit John Gordon Davis, a été adressé, ainsi que demandé, à la Canadian Bank of Commerce de Grouard; mais comme le certificat n'y est parvenu que le 5 novembre 1913, il a été impossible à M. Boytinck de choisir son terrain, car le délai fixé par le certificat expirait le 31 octobre 1913, et n'a pas été prolongé. Le certificat ne peut non plus être racheté pour \$500, car le délai dans lequel pouvaient être rachetés les certificats de concession aux volontaires du Sud-Africain est expiré le 31 décembre 1914,—

Dans les circonstances, et vu que sans qu'il y ait de sa faute M. Boytinck a subi un dommage considérable en rapport avec le certificat en question dont il n'a pu se prévaloir parce que le délai dans lequel il pouvait choisir son terrain était expiré avant qu'il ait le certificat en sa possession, le Ministre est d'avis que le cas de M. Boytinck doit être favorablement considéré et, par conséquent, il recommande que lorsque le dit Paul Boytinck aura remis au département de l'Intérieur le certificat n° 2424 ci-dessus mentionné, il lui soit permis de choisir et d'inscrire comme homestead deux quarts de section contigus de terres fédérales ouvertes à l'inscription de homestead, subordonnement aux obligations ordinaires de homestead, et d'en obtenir la patente dès qu'il aura prouvé à la satisfaction du Ministre de l'Intérieur qu'il s'est dûment inscrit et s'est acquitté des obligations de résidence et de culture sur le terrain ainsi choisi, en plein acquit de toute réclamation qu'il peut avoir en vertu du dit certificat n° 2424.

Le comité soumet cette recommandation pour approbation.

A U comité du Conseil privé a été soumis un rapport du Ministre des Finances, daté le 17 mai 1915, transmettant le verdict des commissaires nommés sous l'empire des dispositions du *Currency Act, 1910*, dans le but de constater que les pièces de la monnaie du Canada frappées au cours de l'année 1914 à la succursale d'Ottawa de la Monnaie royale l'ont été conformément aux dispositions de la loi.

80780—4½

Le Ministre fait rapport que ce verdict indique que ces pièces, quant au poids et au titre de fin, sont conformes aux étalons établis par cette loi.

Le comité soumet ce rapport pour approbation.

OTTAWA, 6 mai 1915.

A l'honorable W. T. WHITE,
Ministre des Finances,
Ottawa.

MONSIEUR,—Nous avons l'honneur de vous transmettre ci-joint le verdict des Commissaires Essayeurs sur l'épreuve de la boîte d'essai de la Monnaie (Pyx) d'Ottawa, pour l'année 1914.

Nous avons l'honneur d'être, Monsieur,
Vos obéissants serviteurs,

A. STANSFIELD,
W. H. ELLIS,
WILLIAM NICOL.VERDICT DES COMMISSAIRES ESSAYEURS
SUR L'ÉPREUVE DE LA BOÎTE D'ESSAI DE
LA MONNAIE (PYX) D'OTTAWA, 1915.

Nous, dont les noms sont écrits ci-dessous, ayant été assermentés le 4e jour de mai mil neuf cent quinze, par devant Son Honneur le juge D. B. MacTavish, à la Monnaie Royale, en la cité d'Ottawa, avons fait les essais et les épreuves des pièces d'or et d'argent de Sa Majesté dans la boîte d'essai de la Monnaie Succursale d'Ottawa, dans le Dominion du Canada, lesquelles, d'après les registres des officiers de la Monnaie, ont été frappées à la dite Monnaie Succursale du 1er jour de janvier au 31e jour de décembre mil neuf cent quatorze, ces deux jour inclus.

Nous avons constaté que les pièces dans chaque paquet qui nous a été soumis correspondaient, quant à la dénomination et au nombre, à la suscription sur chaque paquet et à l'état préparé par les fonctionnaires de la Monnaie. Nous primes deux pièces de chacun de ces paquets de pièces d'or, se montant en tout à vingt pièces de dix dollars et deux pièces de cinq dollars. Nous avons pesé chacune des dites pièces séparément et nous avons constaté qu'elles étaient dans la limite de tolérance du poids prescrite à l'annexe du *Currency Act, 1910*. Nous avons trouvé que le degré de variation d'avec le poids étalon spécifié à l'annexe du dit acte était de "moins" un millième d'un once (—001) sur le total de ces pièces.

Nous avons ensuite fondu en un lingot les dites pièces d'or ainsi sorties et pesées et fait l'essai de ce lingot en le comparant avec la plaque d'or pur fournie par le Sous Ministre du Revenu de l'Intérieur afin de nous assurer que le métal était dans les limites du degré de tolérance prescrit pour le titre de fin dans l'annexe du dit acte, et nous avons trouvé que la variation d'avec l'étalon de fin spécifié dans la dite annexe du dit acte était "plus" seize cent millièmes (+00002) et que, par conséquent, le dit métal était dans le degré de tolérance prescrit pour le titre de fin.

Par la pesée du résidu des dites pièces d'or en bloc nous avons constaté qu'elles étaient dans les limites de tolérance quant au poids.

Nous primes ensuite de ce résidu quatre pièces de dix dollars et deux pièces de cinq dollars, et après les avoir essayées et pesées séparément nous avons trouvé que ces pièces de dix dollars pesaient respectivement :—la première 258.025 grains; la seconde 257.885 grains; la troisième 258.017 grains, et la quatrième 257.995 grains, et que ces pièces de cinq dollars pesaient respectivement :—la première 129.000 grains; la seconde 129.010 grains.

Nous avons ensuite essayé séparément les dites pièces et avons trouvé que le titre de fin millésime de ces pièces d'or de dix dollars était : pour la première 900.02; la seconde 899.86; et pour la troisième 900.25; et pour la quatrième 899.97, et que le titre de fin millésime de ces pièces d'or de cinq dollars était : pour la première 899.97; la seconde 900.00.

De la même manière nous avons choisi une pièce de chacun des paquets de pièces d'argent, se montant en tout à deux pièces de cinquante cents, onze pièces de vingt-cinq cents, douze pièces de dix cents et dix-sept pièces de cinq cents.

Nous avons pesé chacune des dites pièces d'argent séparément, et nous avons constaté qu'elles étaient dans la limite de tolérance du poids prescrit à l'annexe du *Currency Act, 1910*. Nous trouvâmes qu'il n'y avait aucune différence entre le poids étalon spécifié à l'annexe du dit acte et le poids total de ces pièces.

Nous avons alors fondu en un lingot les dites pièces d'argent ainsi sorties et pesées, et nous avons essayé ce lingot en le comparant avec la plaque d'essai d'argent pur fournie par le Sous-Ministre du Revenu de l'Intérieur, de façon à s'assurer si le métal était dans le degré de tolérance prescrit pour le titre de fin dans l'annexe du dit acte, et avons trouvé que le montant de variation d'avec l'étalon de fin spécifié dans la dite annexe du dit acte était "minus" trois dix-millièmes ($-.0003$), et, en conséquence, que le dit métal était dans le degré de tolérance prescrit pour le titre de fin.

En pesant le résidu des dites pièces d'argent en bloc, nous avons constaté qu'elles étaient dans les limites de tolérance quant au poids.

Nous prîmes ensuite de ce résidu deux pièces de cinquante cents, deux pièces de vingt-cinq cents, une pièce de dix cents, et une pièce de cinq cents, et après les avoir pesées et essayées séparément, nous avons trouvé que ces pièces de cinquante cents pesaient, respectivement, la première 180.415 grains, la seconde 180.330 grains, et ces pièces de vingt-cinq cents pesaient respectivement, la première 89.880 grains, la seconde 90.055 grains, et que la pièce de dix cents pesait 36.030 grains, et la pièce de cinq cents 17.915 grains.

Nous essayâmes ensuite les dites pièces séparément, et nous constatâmes que le titre de fin millésime de ces pièces de cinquante cents était, pour la première 924.0, la seconde 924.1, et que le titre de fin millésime de ces pièces de vingt-cinq cents était pour la première 924.0, la seconde 925.3, et que le titre de fin millésime de la pièce de dix cents était de 925.8, et que le titre de fin millésime de la pièce de cinq cents était de 923.5.

Daté à Ottawa, le sixième jour de mai mil neuf cent quinze.

ATTENDU que le gouverneur de la province de la Saskatchewan a demandé le transport à cette province, pour les fins d'un chemin, d'une lisière de terrain de dix pieds de largeur sur toute la longueur de la borne sud de la moitié sud de la section 36, ainsi que d'une autre lisière de dix pieds de largeur sur toute la longueur de la borne nord de la moitié nord de la section 25, le tout situé dans le township 16, rang 20, à l'ouest du 3e méridien ;

Attendu que le Département de l'Intérieur peut disposer des terrains requis pour ce chemin ;

Et attendu que le dit chemin est requis pour donner accès à l'école dite "Standing Rock Public School" et ne pourrait probablement pas être réservé de la manière ordinaire en vertu des dispositions des articles 5 et 6, chapitre 100 des Statuts révisés du Canada, 1906, vu qu'il n'atteint pas la largeur réglementaire,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les lisières de terrain susdites, d'une superficie totale de 2.44 acres plus ou moins, soient transportées à Sa Majesté le Roi pour la province de la Saskatchewan.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 6 mai 1915, représentant que le 5 juin 1911 M. Joseph Cornell obtint l'inscription de homestead du quart sud-est de la section 28, township 18, rang 3, à l'ouest du 3e méridien ;

Il a été établi que cet inscrit a rempli les obligations de résidence suivantes :—

Du 1er novembre 1911 au 1er février 1912, plus six mois additionnels de résidence en 1912 (dates omises) ; puis du 1er septembre 1913 au 1er juin 1914.

Il a aussi été établi que cet inscrit a fait sur ce homestead les améliorations suivantes :—

Maison.....	\$100 00
Puits.....	31 00
Terrain défoncé et ensemencé.....	18 acres

Le Ministre fait de plus observer qu'il a été démontré qu'une engélure a privé cet inscrit de l'usage de ses deux mains et qu'il lui est par conséquent impossible de compléter ses obligations de résidence,—

Vu ce qui précède le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20, chapitre 20, 7-8 Edouard VII, M. Cornell soit relevé de ce qui lui reste à accomplir d'obligations de résidence sur son homestead et que patente gratuite lui en soit délivrée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 8e jour de mai 1915, représentant qu'un arrêté en conseil du 22 mars 1915, autorisant la concession par lettres patentes du terrain compris dans le quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, à M. Archibald Walker, de Prince-Albert en retour du quart sud-ouest de la section 22, township 47, rang 1, à l'ouest du 3e méridien qui doit être ajouté à la réserve dite "Pines Forest Reserve" ;

Le Ministre ajoute que constatation a été faite du fait que messieurs Archibald Walker et Robert Gillies étaient propriétaires conjoints par moitié indivise de ce dernier quart de section dont ils ont exécuté un acte de transport dûment enregistré,—

Le Ministre recommande, par conséquent, que le dit arrêté en conseil soit modifié de manière à autoriser l'émission de lettres patentes du quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, à messieurs Archibald Walker et Robert Gillies.

AU comité du conseil privé a été soumis un rapport conjoint du Ministre suppléant de la Marine et des Pêcheries et du Ministre suppléant des Travaux Publics, daté le 2 février 1915, représentant que le 19

mai 1913 a été adopté un arrêté en conseil approuvant le plan et la description d'une ligne de havre permanente dans la rivière Détroit, vis-à-vis Ojibway, Ontario, au delà de laquelle ne devaient à l'avenir être érigés ni brise-lames, ni quais, jetées ou autres constructions ;

L'ingénieur de district du Département des Travaux publics, à Windsor, a subséquemment fait rapport qu'il existait plusieurs défauts dans l'arpentage des terrains de tout ce district et que, par conséquent, il y avait des doutes au sujet du tracé des lignes données dans le plan et la description, et qu'il fut pour cette raison décidé de faire exécuter un bornage par un arpenteur provincial connaissant bien cette localité ;

Ce nouveau bornage a été fait en conséquence, et il se trouve une légère différence entre le plan et la description de ce dernier arpentage et ceux qui ont été approuvés par l'arrêté en conseil ci-dessus mentionné, la ligne de havre, toutefois, demeurant pratiquement la même que celle qui avait déjà été établie ;

L'ingénieur en chef du Département de la Marine et des Pêcheries et l'ingénieur en chef du Département des Travaux Publics ont recommandé que le plan et la description basés sur le dernier arpentage soient substitués au plan et à la description annexés à l'arrêté en conseil ci-dessus mentionné, —

Par conséquent, les Ministres recommandent que l'arrêté en conseil du 19 mai 1913 soit modifié en conséquence et que soit établie dans la rivière Détroit, vis-à-vis Ojibway, Ontario, une ligne de havre permanente au delà de laquelle ne seront érigés à l'avenir ni brise-lames, ni quais, jetées ou autres constructions, ainsi qu'indiqué sur le plan et spécifié dans la description modifiée ci-annexée.

Le comité soumet cette recommandation pour approbation.

Il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter ce qui suit :

L'article 16A des règles et règlements pour l'administration et le fonctionnement du bassin de radoub à Lévis, Québec, approuvés par des arrêtés en conseil du 30 juillet 1908, du 26 août 1912 et du 12 avril 1913, est par ces présentes modifié de manière à se lire comme suit, savoir :

16A. L'usage du bassin sera soumis au tarif ci-dessous, savoir :—

Tonnage brut du vaisseau.	Pour le premier jour dans le bassin.	Pour chaque jour en sus, y compris le jour de sortie.
	\$ c.	
Pour tous navires jusqu'à 1,000 tonneaux	300 00	\$50 par jour.
Pour tous navires de 1,000 à 2,000 tonn'x	350 00	4½c. "
Pour tous navires au-dessus de 2,000 tonneaux.....	400 00	4½c. par tonneau jusqu'à 2,000 tonneaux, et 2c. par tonneau sur tout tonnage dépassant 2,000 tonneaux.

Lorsqu'un vaisseau est mis en bassin uniquement pour être peinturé et gratté, ou simplement changer ou réparer le propulseur, le tarif ordinaire sera suspendu et une taxe uniforme de \$50 pour la mise à sec du bas-

sin et de 5c. par tonne par jour sera imposé pour une période n'excédant pas quatre jours.

Sous l'empire du présent article seront permises des réparations à la coque du vaisseau quand le coût de ses réparations n'excède pas \$50.

Toute fausse représentation quant au coût de ces réparations dans le but de se soustraire au paiement des droits qui seraient autrement imposés rend l'armateur ou l'agent du vaisseau responsable du paiement du double du tarif, ainsi que spécifié dans cet article 16A, page 7 de l'édition de 1913 des règlements. Quand deux ou plus de deux vaisseaux appartenant au même propriétaire sont admis au bassin pour être peinturés et grattés ou pour des réparations au propulseur seul, il ne sera exigé que \$50 pour la mise à sec du bassin, mais la taxe sur chaque vaisseau sera de \$50 par jour si le tonnage de chacun à 5 cents la tonne par jour ne donne pas cette somme. Les dispositions de l'article 19 feront loi dans tous les autres cas.

Les cargaisons paieront au même taux que le tonnage, mais le lest ne sera pas compté ; le capitaine du bassin sera juge. La houille sera comptée comme cargaison.

La taxe de séjournement dans le bassin ne sera jamais moindre que \$50 par jour pendant la saison de navigation.

Il n'y aura aucun droit à payer pour le dimanche, à moins que le radoub du vaisseau ne se continue ce jour-là.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 mai 1915, représentant que le 31 août 1910 fut accordée à madame Annie E. McArthur l'inscription de la moitié sud de la section 12, township 5, rang 30, à l'ouest du 2e méridien, en vertu de la *Loi récompensant certains volontaires* ;

Le Ministre représente que madame McArthur inaugura l'accomplissement de ses obligations de résidence le 15 août 1911, et ce continua jusqu'au 24 décembre suivant, puis du 1er avril 1913 jusqu'au 15 octobre suivant, et du 13 avril 1914 jusqu'au 17 juillet suivant, alors qu'elle fut forcée pour cause de maladie de quitter son homestead ;

Le Ministre ajoute que madame McArthur a près de 77 ans, et, d'après copies soumises de certificats médicaux, il appert qu'elle ne pourra jamais parfaire ses obligations de résidence,—

Vu ces circonstances, le Ministre recommande que madame McArthur soit relevée des obligations de résidence requises par la *Loi des terres fédérales*, afin que patente gratuite de la dite demi-section lui soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

ATTENDU que l'article 7 des règlements régissant les concessions de pétrole et de gaz naturel, approuvés par arrêté en conseil du 19 janvier 1914, stipule que les concessions situées sur des terrains non-

arpentés sur le bord d'un lac ou d'une rivière devront être délimitées à angles droit de la ligne de base du lac ou de la rivière, établie ou qui sera établie par le Département de l'Intérieur, l'étendue riveraine de la concession ne devant pas excéder un mille ;

Attendu qu'une concession faite en vertu des dispositions des règlements régissant les concessions de pétrole et de gaz naturel susdits ne donne plus de droits de surface au concessionnaire, mais limite les droits de ce dernier au pétrole et au gaz naturel seulement ;

Et attendu que l'établissement d'une ligne de base sur la rive d'une rivière ou d'un lac sans un arpentage préalable, pourrait être une source de difficultés et d'embarras,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de rescinder par ces présentes l'article 7 des règlements de pétrole et de gaz naturel approuvés par le dit arrêté en conseil du 19 janvier 1914.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....\$ 100 00

(b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième 100 00

(c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00

(d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... 100 00

(e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. Une compagnie de télégraphe ou de téléphone :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal : et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

ORDERS IN COUNCIL.

[1091]
AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 14th day of May, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 6th May, 1915, from the Minister of the Interior, stating that Mr. Joseph Cornell obtained homestead entry for the southeast quarter of Section 28, Township 19, Range 3, west of the 3rd Meridian on the 5th of June, 1911;

That information has been received that this homesteader performed the following residence:—

From the 1st of November, 1911, to the 1st of February, 1912, and six months residence in 1912. (Dates not given). From the 1st of September, 1913, to the 1st of June, 1914.

It has also been ascertained that he has made improvements upon his homestead consisting of

House.....	\$100 00
Well.....	31 00
18 acres broken and cropped.	

The Minister observes that evidence has been submitted to the Department of the Interior that this homesteader has lost both his hands owing to frost bite, and the result is that he is unable to complete the requisite residence duties on his homestead,—

The Minister recommends, in view of the foregoing, that further residence on the part of Mr. Cornell be dispensed with in accordance with the provisions of subsection 2, of section 20, chapter 20, 7-8 Edward VII., so that free patent may be issued to Mr. Cornell upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 1st day of June, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS application has been made on behalf of the Methodist Church for a grant for cemetery purposes of two acres of land comprised in the north-west corner of the N.W. $\frac{1}{4}$ of Section 10, Township 50, Range 23, west of the Third Meridian, in the Province of Saskatchewan, for cemetery purposes;

And whereas the Minister of the Interior is of opinion that the application should receive favourable consideration and the land in question is available according to the records of the Department,—

Therefore His Royal Highness the Governor General in Council, under the provisions of section 76 of The Dominion Lands Act, is pleased to set apart and appropriate for cemetery purposes two acres of land comprised in the northwest corner of the N.W. $\frac{1}{4}$ of Section 10, Township 50, Range 23, west of the Third Meridian, in the Province of Saskatchewan, and to authorize a grant thereof to the Methodist Church for the said purposes.

[1322]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 5th day of June, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th May, 1915, from the Minister of the Interior, submitting that application has been made by the Canadian Northern Railway Company for permission to acquire 225 acre, in the southeast quarter of Section 29, Township 53, Range 8, west of the 5th Meridian, in connection with their water supply at that point;

The Minister states that it has been the practice of the Department of the Interior to sell the land required in School Sections by railway companies for the right of way of a pipe line at a price determined by inspection and valuation and approved by the Governor in Council in the same way as lands are sold to railway companies for the right of way of the railway,—

The Minister recommends, as in the present instance the land required for the right of way of the pipe line in this quarter-section has been valued by Mr. J. F. Drew, Inspector of School Lands, at \$10 per acre, that he be authorized to sell to the Canadian Northern Railway Company, the 225 acre required for the right of way of a pipe line in the southeast quarter of Section 29, Township 53, Range 8, west of the 5th Meridian, at the price mentioned, namely, \$10 per acre.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

[1215]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 31st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st May, 1915, from the Minister of the Interior, stating that authority has been granted, under the provisions of The Irrigation Act, to Messrs. E. R. Nash and I. and R. I. Stirling, to construct a system of irrigation works taking water from Battle Creek on the southeast quarter of Section 28, Township 3, Range 27, west of the 3rd Meridian, and that, pursuant to such authority, they have surveyed and constructed a canal or ditch from the said

point of diversion to and across the tract of land to be irrigated;

That by authority vested in the Minister of the Interior by section 54 of The Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches up to but not exceeding an area of ten acres in one quarter section, when such area shall be shown to be necessary for the effective operation of the irrigation system;

That owing to the fact that it is necessary to include a slough in the right of way over the northeast quarter of Section 22, Township 3, Range 27, west of the 3rd Meridian, it has been found necessary to allow a greater area to be included in the right of way in order to effectively operate the irrigation system;

That right of way has been reserved over the said quarter section and title is still vested in the Crown,—

The Minister, therefore, recommends that authority be given for the granting of free right of way license of occupation to Messrs. Nash and Stirling for their works through, over and upon the said quarter section, not exceeding an area of 18.2 acres, as shown on the plan of the said works filed in the office of the Commissioner of Irrigation at Calgary, and in the Department of the Interior at Ottawa, such grant to remain in effect for so long as the works herein referred to are used for irrigation purposes.

Attached hereto is a blue print showing the right of way required.

The Committee advise that the requisite authority be granted accordingly.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

The Minister states that under the provisions of The Railway Act a railway company may acquire of lands vested in His Majesty as much of such lands as may be necessary for the purposes of the railway, on such terms as the Governor in Council may prescribe, and the practice in regard to application of this kind has been to have the land inspected and valued by an officer of the Department of the Interior and then to seek the consent of the Governor in Council for the sale to the company of the land required,—

The Minister recommends,—as in the present instance the land has been inspected and valued by Mr. J. Drew at \$18.00 per acre,—that he be authorized to sell to The Canadian Pacific Railway Company the following land required in connection with their water supply at Halsbury at the rate above mentioned, namely, \$18 per acre:—

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 21st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 10th May, 1915, from the Minister of the Interior, stating that by an Order in Council, dated the 11th March, 1910, regulations were established for the disposal of petroleum and natural gas rights, the property of the Crown, under and in accordance with the provisions of section 37 of The Dominion Lands Act ;

That in July, 1912, the available petroleum and natural gas rights, the property of the Crown, in Townships 12 and 13, Ranges 5 and 6, west of the 4th Initial Meridian, including and surrounding the City of Medicine Hat, were temporarily withdrawn from disposal under the provisions of these regulations ;

That the City of Medicine Hat, at whose instance these rights were withdrawn, represent that it is essential to the commercial prosperity of the city that the petroleum and natural gas rights already reserved should not be disposed of to, or diverted by outside interests; that these natural resources, within a reasonable radius surrounding the city, should be available for the development of the industries established, or to be established within the city ; and that the city, while not desiring to exploit such rights, should be given such control of them as might be necessary to prevent the same from being diverted to other centres of population, and to insure their conservation to the city for the extension and development of its several industries ;

That representations have been made to the Department of the Interior that the City of Medicine Hat has, at a very large expenditure, bored some eighteen wells within the limits of that city with a view to the discovery of natural gas ; that gas in commercial quantities has been discovered, which is being very fully utilized by and on behalf of the municipality ; and that these wells are capable of producing about 50,000,000 cubic feet of gas per day ;

That certain of the regulations for the disposal of mining rights, the property of the Crown, specifically exclude from their provisions lands lying within the limits of a city, town or village, and while such exclusion is not made in the Petroleum and Natural Gas Regulations it is not the practice of the Department of the Interior to grant leases of the petroleum and natural gas rights under lands which lie within the limits of any incorporated city, town or village ;

That as it appears to be in the public interest that the petroleum and natural gas rights, the property of the Crown, under lands immediately surrounding the City of Medicine Hat should be conserved for the use of the city itself, and as those petroleum and natural gas rights—the property of the Crown—which are within the limits of the city are not, in accordance with the practice of the Department of the Interior, available for lease, the Minister recommends that he be authorized to grant free of charge to the City of Medicine Hat such petroleum and natural gas rights within the present limits of that city as are the property of the Crown, also to withdraw for the present from disposal the available petroleum and natural gas rights under Townships 12 and 13, Range 5, and Township 12 and the easterly two tiers of sections in Township 13, Range 6, west of the 4th Initial Meridian, upon the following terms and conditions :

1. That the above grant and withdrawal of petroleum and natural gas rights, the property of the Crown, shall not apply to lands which have been set apart as school lands in accordance with the provisions of The Dominion Lands Act.

2. That the withdrawal from disposal under the provisions of the regulations of the available petroleum and natural gas rights under the lands described will not operate as an obstacle to the disposal by the Crown or other mining rights under these lands.

3. That the City of Medicine Hat be required to immediately obtain a lease, under and in accordance with the provisions of the regulations of each quarter section within the reserve, but lying outside the present limits of the City, upon which a well has been bored by or on behalf of the municipality with a view to the discovery of petroleum or natural gas.

4. That the City of Medicine Hat, before commencing, in the future, boring or other operations with a view to the discovery or development of petroleum or natural gas on any lands included in the above reservation lying outside the present boundaries of that city, shall apply for and obtain a lease of such rights in accordance with the provisions of the regulations in that behalf.

5. That the available petroleum and natural gas rights under a strip twenty chains wide, extending along the westerly side of the above reservation in Township 13, Range 6, west of the 4th Meridian, shall be established as a neutral zone, and that permission to bore for petroleum or natural gas upon such lands shall not, for the present, be granted.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 8th May, 1915, from the Minister of the Interior, submitting that, by Order in Council dated the 22nd March, 1915, authority was granted for the issuance of letters patent in favour of Mr. Archibald Walker, of Prince Albert, for the southwest quarter of Section 23, Township 46, Range 27, west of the 2nd Meridian, in exchange for the southeast quarter of Section 22, Township 47, Range 1, west of the 3rd Meridian, which is required for addition to the Pines Forest Reserve ;

The Minister states that a surrender of the last mentioned quarter section has been obtained and duly registered, and it has been found that this land was owned by Messrs. Archibald Walker and Robert Gillies, each having one-half undivided interest therein,—

The Minister, therefore, recommends that the Order in Council referred to, be so amended as to authorize the issuance of letters patent for the said southwest quarter of Section 23, Township 46, Range 27, west of the 2nd Meridian, in favour of Messrs. Archibald Walker and Robert Gillies.

The Committee concur in the foregoing and submit the same for approval.

HIS ROYAL HIGHNESS THE GOVERNOR

WHEREAS section 7 of the Petroleum and Natural Gas Regulations approved by Order in Council of the 19th January, 1914, provides that locations situated in unsurveyed territory, on the margin of a river or lake, shall be located at right angles to the base line of such lake or river established or to be established by the Department of the Interior ; the frontage on the lake or river not to exceed one mile ;

And whereas a lease issued under the provisions of the Petroleum and Natural Gas Regulations referred to no longer conveys to the lessee any right to the surface of the area leased, but includes the petroleum and natural gas rights only ;

And whereas the establishing of a base line of a lake or river front without an actual survey being made on the ground is a matter of some difficulty and likely to cause confusion,—

Therefore His Royal Highness the Governor General in Council is pleased to rescind section 7 of the Petroleum and Natural Gas Regulations, approved by Order in Council of the 19th January, 1914, above referred to, and the same is hereby rescinded accordingly.

WHEREAS a request has been received from the Government of the Province of Saskatchewan for the transfer to the said Province for a roadway, of a strip of land ten feet in width, immediately adjoining the entire south boundary of the south half of Section thirty-six, and of a strip of land ten feet in width immediately adjoining the entire north boundary of the north half of Section twenty-five, all in Township sixteen in Range 20, west of the 3rd Meridian ;

And whereas the land necessary for the said roadway is at the disposal of the Department of the Interior ;

And whereas this roadway is required to provide access to the Standing Rock Public School and may not be set aside in the ordinary way, under the provisions of sections 5 and 6 of chapter 100 of the Revised Statutes of Canada, 1906, as it is narrower than the regulation width,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered that the said strips of land, which contain together an area of 2.44 acres more or less, be transferred to His Majesty the King, in the right of the Province of Saskatchewan.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, dated 14th May, 1915, representing that Mrs. Annie E. McArthur was granted entry for the south half of Section 12, Township 5, Range 30, west of the 2nd Meridian, under South African Scrip Location, on the 31st of August, 1910 ;

The Minister states that Mrs. McArthur commenced the performance of her residence duties on the 15th of August, 1911, and continued until the 24th of December following ; resumed residence on the 1st April, 1913, and remained until the 15th of October following, and again resumed residence on the 13th of April, 1914, where she remained until the 17th of July following, when she was forced to leave the land through illness ;

The Minister observes that Mrs. McArthur is about seventy-seven years of age and medical certificates, copies of which are submitted, indicate that it is highly improbable she will ever again be in a position to perform residence duties,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mrs. McArthur's Scrip Location, above described, so that free patent may issue to her for the half-section upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 26th May, 1915, from the Minister of the Interior, submitting that, as it has been found that a number of persons have squatted and made improvements on Section 11, Township 15, Range 5, west of the Principal Meridian, it was considered advisable to have this section laid out in small blocks in order to afford the persons who have settled on them and have made improvements an opportunity of acquiring the blocks on which their improvements are situated.

As it is desirable that the persons now in possession of these lots should be given an early opportunity of acquiring the same, the Minister recommends that he be authorized to offer these blocks by sale at public auction as soon as the arrangements for the sale can be completed, the lands to be offered subject to an upset price to be fixed by an officer of the Department of the Interior after inspection.

The Minister further recommends that, in order to protect those who have made improvements, it be made a condition of the sale that the purchaser, if other than the maker of the improvements, shall be required to pay at the time of the sale, in addition to the first installment of the purchase money, the value of such improvements as determined by the Inspector of School Lands for the benefit of the maker of such improvements.

The Committee concur in the foregoing and submit the same for approval.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.

PRÉSENT:

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

IL plaît à Son Altesse Royale le Gouverneur général en conseil d'approuver par ces présentes le règlement n° 121 qui suit, adopté par les Commissaires du havre de Montréal le 5e jour de mai 1915, pour la réglementation de ce qui est de la juridiction des dits commissaires, en vertu des pouvoirs que leur confère la loi

57-58 Victoria, chapitre 48, le département de la Justice ayant fait rapport qu'il n'y a aucune objection légale à l'approbation du dit règlement dans sa forme présente, savoir :

Règlement 121.

Nonobstant les dispositions de la clause 92, un droit d'un dollar seulement sera prélevé par wagon d'articles transportés sur les voies ferrées du havre, soit vers le havre ou vers les établissements industriels situés dans son voisinage, lorsque les dits articles ne sont ni embarqués ni débarqués dans les limites du havre. Le droit susmentionné devra être perçu en sus de la taxe sur les voies d'évitement visée par la clause 96 et sera payable par les compagnies de chemins de fer, selon que leurs wagons de marchandises sont reçus au havre ou dirigés vers d'autres compagnies de chemins de fer pour être expédiés vers leur destination.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR

Au Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 mai 1915, représentant que la compagnie dite "Canadian Northern Railway Company" a demandé la permission d'acheter 225 d'acre dans le quart sud-est de la section 29, township 53, rang 8 à l'ouest du 5e méridien, en rapport avec son service d'eau à cet endroit ;

Le Ministre représente que la pratique du Département a été jusqu'ici de vendre aux compagnies de chemins de fer le terrain dont elles ont besoin dans les sections scolaires pour le passage de conduites d'eau à un prix déterminé par l'inspection et l'évaluation et approuvé par le Gouverneur en conseil, de la même manière que sont vendus aux compagnies de chemins de fer les terrains requis pour le passage de leur voie ferrée,—

Comme dans le cas présent le terrain requis pour le passage de la conduite d'eau dans ce quart de section a été évalué à \$10.00 l'acre par M. J. F. Drew, inspecteur des terres des écoles, le Ministre demande l'autorisation de vendre à la compagnie de chemin de fer "Canadian Northern," au prix mentionné, soit \$10 l'acre, le 225 d'acre requis pour le passage d'une conduite d'eau dans le quart sud-est de la section 29, township 53, rang 8 à l'ouest du 5e méridien.

Le comité soumet cette demande pour approbation.

ATTENDU que la compagnie dite "The Lanuke Cemetery Company" de Lanuke, dans la province d'Alberta, a demandé pour fins de cimetière la concession de dix acres de terrain compris dans l'angle sud-ouest du quart nord-ouest de la section 28, township 54, rang 12, à l'ouest du 4e méridien, dans la dite province d'Alberta ;

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question

étant disponible d'après les archives de son département,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de réserver et d'affecter aux fins d'un cimetière dix acres de terrain compris dans l'angle sud-ouest du quart nord-ouest de la section 28, township 54, rang 12, à l'ouest du 4e méridien et d'en autoriser la concession à la compagnie dite "The Lanuke Cemetery Company" pour les dites fins.

ATTENDU que le gouverneur de la province de la Saskatchewan a demandé le transport à cette province, pour les fins d'un chemin, d'une lisière de terrain de dix pieds de largeur sur toute la longueur de la borne sud de la moitié sud de la section 36, ainsi que d'une autre lisière de dix pieds de largeur sur toute la longueur de la borne nord de la moitié nord de la section 25, le tout situé dans le township 16, rang 20, à l'ouest du 3e méridien ;

Attendu que le Département de l'Intérieur peut disposer des terrains requis pour ce chemin ;

Et attendu que le dit chemin est requis pour donner accès à l'école dite "Standing Rock Public School" et ne pourrait probablement pas être réservé de la manière ordinaire en vertu des dispositions des articles 5 et 6, chapitre 100 des Statuts révisés du Canada, 1906, vu qu'il n'atteint pas la largeur réglementaire,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les lisières de terrain susdites, d'une superficie totale de 2.44 acres plus ou moins, soient transportées à Sa Majesté le Roi pour la province de la Saskatchewan.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 6 mai 1915, représentant que le 5 juin 1911 M. Joseph Cornell obtint l'inscription de homestead du quart sud-est de la section 28, township 18, rang 3, à l'ouest du 3e méridien ;

Il a été établi que cet inscrit a rempli les obligations de résidence suivantes :—

Du 1er novembre 1911 au 1er février 1912, plus six mois additionnels de résidence en 1912 (dates omises) ; puis du 1er septembre 1913 au 1er juin 1914.

Il a aussi été établi que cet inscrit a fait sur ce homestead les améliorations suivantes :—

Maison.....	\$100 00
Puits.....	31 00
Terrain défoncé et ensemencé.....	18 acres

Le Ministre fait de plus observer qu'il a été démontré qu'une engelure a privé cet inscrit de l'usage de ses deux mains et qu'il lui est par conséquent impossible de compléter ses obligations de résidence,—

Vu ce qui précède le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20, chapitre 20, 7-8 Edouard VII, M. Cornell soit relevé de ce qui lui reste à accomplir d'obligations de résidence sur son homestead et que patente gratuite lui en soit délivrée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 mai 1915, représentant que le 31 août 1910 fut accordée à madame Annie E. McArthur l'inscription de la moitié sud de la section 12, township 5, rang 30, à l'ouest du 2e méridien, en vertu de la *Loi récompensant certains volontaires* ;

Le Ministre représente que madame McArthur inaugura l'accomplissement de ses obligations de résidence le 15 août 1911, et ce continua jusqu'au 24 décembre suivant, puis du 1er avril 1913 jusqu'au 15 octobre suivant, et du 13 avril 1914 jusqu'au 17 juillet suivant, alors qu'elle fut forcée pour cause de maladie de quitter son homestead ;

Le Ministre ajoute que madame McArthur a près de 77 ans, et, d'après copies soumises de certificats médicaux, il appert qu'elle ne pourra jamais parfaire ses obligations de résidence,—

Vu ces circonstances, le Ministre recommande que madame McArthur soit relevée des obligations de résidence requises par la *Loi des terres fédérales*, afin que patente gratuite de la dite demi-section lui soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 26 mai 1915, représentant qu'un certain nombre de personnes se sont établies et ont fait des améliorations sur la section 11, township 15, rang 5, à l'ouest du méridien principal, et qu'il est par conséquent nécessaire de diviser cette section en blocs pour permettre aux gens qui s'y sont établis d'acheter les blocs sur lesquels ils ont fait des améliorations.

Vu qu'il est opportun de permettre aussitôt que possible aux gens qui occupent ces lots de les acheter, le Ministre recommande qu'on l'autorise à les offrir en vente à l'enchère publique dès que les préliminaires de la vente seront complétés. La vente sera faite sujet à une mise à prix fixée après inspection par un fonctionnaire du Département de l'Intérieur.

Dans le but de protéger ceux qui ont fait des améliorations, le Ministre recommande de plus qu'il soit fait une condition de la vente que dans le cas d'adjudications à d'autres qu'à ces derniers l'acheteur sera tenu de payer immédiatement, en outre du premier versement à compte de la vente, la valeur des améliorations faites sur le terrain ainsi que déterminée par l'inspecteur des terrains scolaires, et le montant sera remis à l'auteur de ces améliorations.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21e jour de mai 1915, représentant que Messieurs E. R. Nash et I. et R. I. Stirling ont été autorisés, en vertu des dispositions de la *Loi d'irrigation*, à établir un système d'irrigation avec prise d'eau au creek Battle, sur le quart sud-est de la section 28, township 3, rang 27, à l'ouest du 3e méridien, et qu'en vertu de cette autorisation ils ont arpenté le terrain à irriguer et y ont construit un canal d'amenée avec prise d'eau au creek Battle susdit ;

En vertu de l'autorité que lui confère l'article 54 de la *Loi d'irrigation*, le Ministre de l'Intérieur a établi certains règlements qui permettent la concession gratuite d'une superficie de terrain ne dépassant pas dix acres dans un même quart de section pour le passage de canaux d'amenée lorsqu'il est démontré que, dans l'intérêt du bon fonctionnement du système d'irrigation, la dite concession est nécessaire ;

La présence d'une fondrière sur cette partie du passage du canal d'amenée située sur le quart nord-est de la section 22, township 3, rang 27, à l'ouest du 3e méridien, nécessite une superficie additionnelle à celle de la concession susdite afin de donner au système l'efficacité nécessaire ;

Ce droit de passage a été réservé sur le dit quart de section et est encore propriété de la Couronne,—

Le Ministre recommande, par conséquent, qu'on l'autorise à accorder gratuitement à Messieurs Nash et Sterling un permis d'occupation du terrain nécessaire au passage du canal, ne dépassant pas 18.2 acres en superficie, sur le dit quart de section et tel que décrit sur plan du dit système d'irrigation déposé au bureau du Commissaire d'irrigation à Calgary, ainsi qu'au Département de l'Intérieur à Ottawa. La dite concession restera en vigueur aussi longtemps qu'elle sera affectée aux fins susdites.

Un plan montrant le droit de passage ci-haut décrit est annexé à ces présentes.

Le comité recommande que l'autorisation demandée soit accordée.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21 mai 1915, représentant que la compagnie dite "Canadian Pacific Railway Company" a demandé la permission d'acheter le terrain nécessaire au droit de passage d'une conduite d'eau ainsi que pour l'emplacement d'un château d'eau en rapport avec son approvisionnement d'eau à Halsbury, sur la moitié ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien ;

Le Ministre représente qu'en vertu des dispositions de la *Loi des chemins de fer* une compagnie de chemin de fer peut acheter de Sa Majesté tout le terrain requis pour l'exploitation de son réseau aux conditions prescrites par le Gouverneur général en conseil, et que dans le cas de demandes de cette nature il est d'habitude de faire d'abord examiner et évaluer le terrain par un fonctionnaire du Ministère de l'Intérieur avant de demander le consentement du Gouverneur en conseil à la vente à la compagnie du terrain requis,—

Dans le présent cas le terrain ainsi demandé a été examiné par M. J. F. Drew et évalué par lui à \$18 l'acre, et le Ministre recommande qu'on l'autorise à vendre à la dite compagnie aux prix de \$18 l'acre les terrains dont la dite compagnie a besoin en rapport avec son approvisionnement d'eau à Halsbury, et qui sont décrits comme suit, savoir :—

Droit de passage pour conduite d'eau à travers le quart sud-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 1.235 acres à \$18 l'acre ;

Droit de passage pour conduite d'eau à travers le quart nord-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 0.460 acre à \$18 l'acre ;

Droit de passage pour chemin d'accès sur le quart nord-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 0.518 acre à \$18 l'acre ;

Emplacement du château d'eau sur le quart nord-ouest de la section 29 susdite, comprenant 1.012 acres à \$18 l'acre.

Total, 3.225 acres à \$18 l'acre.

Le comité soumet cette recommandation pour approbation.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 24e jour de mai 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

ATTENDU que l'article 7 des règlements régissant les concessions de pétrole et de gaz naturel, approuvés par arrêté en conseil du 19 janvier 1914, stipule que les concessions situées sur des terrains non arpentés sur le bord d'un lac ou d'une rivière devront être délimitées à angles droit de la ligne de base du lac ou de la rivière, établie ou qui sera établie par le Département de l'Intérieur, l'étendue riveraine de la concession ne devant pas excéder un mille ;

Attendu qu'une concession faite en vertu des dispositions des règlements régissant les concessions de pétrole et de gaz naturel susdits ne donne plus de droits de surface au concessionnaire, mais limite les droits de ce dernier au pétrole et au gaz naturel seulement ;

Et attendu que l'établissement d'une ligne de base sur la rive d'une rivière ou d'un lac sans un arpentage préalable, pourrait être une source de difficultés et d'embarras,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de rescinder par ces présentes l'article 7 des règlements de pétrole et de gaz naturel approuvés par le dit arrêté en conseil du 19 janvier 1914.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |

4. Quand l'objet d'un bill est d'augmenter le capital d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. (a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque* ; une *compagnie d'assurance* ; une *compagnie de crédit* ; une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

ORDERS IN COUNCIL.

[1154]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 21th day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, dated 14th May, 1915, representing that Mrs. Annie E. McArthur was granted entry for the south half of Section 12, Township 5, Range 30, west of the 2nd Meridian, under South African Scrip Location, on the 31st of August, 1910 ;

The Minister states that Mrs. McArthur commenced the performance of her residence duties on the 15th of August, 1911, and continued until the 24th of December following ; resumed residence on the 1st April, 1913, and remained until the 15th of October following, and again resumed residence on the 13th of April, 1914, where she remained until the 17th of July following, when she was forced to leave the land through illness ;

The Minister observes that Mrs. McArthur is about seventy-seven years of age and medical certificates, copies of which are submitted, indicate that it is highly improbable she will ever again be in a position to perform residence duties,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mrs. McArthur's Scrip Location, above described, so that free patent may issue to her for the half-section upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 14th day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 6th May, 1915, from the Minister of the Interior, stating that Mr. Joseph Cornell obtained homestead entry for the southeast quarter of Section 28, Township 19, Range 3, west of the 3rd Meridian on the 5th of June, 1911 ;

That information has been received that this homesteader performed the following residence :—

From the 1st of November, 1911, to the 1st of February, 1912, and six months residence in 1912. (Dates not given). From the 1st of September, 1913, to the 1st of June, 1914.

It has also been ascertained that he has made improvements upon his homestead consisting of

House.....	\$100 00
Well.....	31 00
18 acres broken and cropped.	

The Minister observes that evidence has been submitted to the Department of the Interior that this homesteader has lost both his hands owing to frost bite, and the result is that he is unable to complete the requisite residence duties on his homestead,—

The Minister recommends, in view of the foregoing, that further residence on the part of Mr. Cornell be dispensed with in accordance with the provisions of subsection 2, of section 20, chapter 20, 7-8 Edward VII., so that free patent may be issued to Mr. Cornell

81491—1½

upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Monday, the 31st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to approve and doth hereby approve the following By-law No. 121, passed by the Harbour Commissioners of Montreal on the 5th day of May, 1915, for the regulation of matters within the jurisdiction of the said Commissioners, under authority conferred upon them by 57-58 Victoria, chapter 48, the Department of Justice having advised that there is no legal objection to the approval of the said by-law in its present form, viz :—

BY-LAW No. 121.

Notwithstanding anything contained in By-law No. 92 a rate of only one dollar per car shall be levied on articles moved by rail on the harbour tracks, to or from industrial concerns adjoining the harbour, and which articles are not loaded or unloaded within the harbour. The rate herein provided shall be in addition to the switching charges provided in By-law No. 96 and shall be payable by the railway companies from which the cars are received, or delivered to for furtherance.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[1251]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 1st day of June, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 26th May, 1915, from the Minister of the Interior, submitting that, as it has been found that a number of persons have squatted and made improvements on Section 11, Township 15, Range 5, west of the Principal Meridian, it was considered advisable to have this section laid out in small blocks in order to afford the persons who have settled on them and have made improvements an opportunity of acquiring the blocks on which their improvements are situated.

As it is desirable that the persons now in possession of these lots should be given an early opportunity of acquiring the same, the Minister recommends that he be authorized to offer these blocks by sale at public auction as soon as the arrangements for the sale can be completed, the lands to be offered subject to an upset price to be fixed by an officer of the Department of the Interior after inspection.

The Minister further recommends that, in order to protect those who have made improvements, it be made a condition of the sale that the purchaser, if other than the maker of the improvements, shall be required to pay at the time of the sale, in addition to the first installment of the purchase money, the value of such improvements as determined by the Inspector of School Lands for the benefit of the maker of such improvements.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 5th day of June, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th May, 1915, from the Minister of the Interior, submitting that application has been made by the Canadian Northern Railway Company for permission to acquire 225 acre, in the southeast quarter of Section 29, Township 53, Range 8, west of the 5th Meridian, in connection with their water supply at that point;

The Minister states that it has been the practice of the Department of the Interior to sell the land required in School Sections by railway companies for the right of way of a pipe line at a price determined by inspection and valuation and approved by the Governor in Council in the same way as lands are sold to railway companies for the right of way of the railway,—

The Minister recommends, as in the present instance the land required for the right of way of the pipe line in this quarter-section has been valued by Mr. J. F. Drew, Inspector of School Lands, at \$10 per acre, that he be authorized to sell to the Canadian Northern Railway Company, the 225 acre required for the right of way of a pipe line in the southeast quarter of Section 29, Township 53, Range 8, west of the 5th Meridian, at the price mentioned, namely, \$10 per acre.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 31st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st May, 1915, from the Minister of the Interior, stating that authority has been granted, under the provisions of The Irrigation Act, to Messrs. E. R. Nash and I. and R. I. Stirling, to construct a system of irrigation works taking water from Battle Creek on the southeast quarter of Section 28, Township 3, Range 27, west of the 3rd Meridian, and that, pursuant to such authority, they have surveyed and constructed a canal or ditch from the said

point of diversion to and across the tract of land to be irrigated;

That by authority vested in the Minister of the Interior by section 54 of The Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches up to but not exceeding an area of ten acres in one quarter section, when such area shall be shown to be necessary for the effective operation of the irrigation system;

That owing to the fact that it is necessary to include a slough in the right of way over the northeast quarter of Section 22, Township 3, Range 27, west of the 3rd Meridian, it has been found necessary to allow a greater area to be included in the right of way in order to effectively operate the irrigation system;

That right of way has been reserved over the said quarter section and title is still vested in the Crown,—

The Minister, therefore, recommends that authority be given for the granting of free right of way license of occupation to Messrs. Nash and Stirling for their works through, over and upon the said quarter section, not exceeding an area of 18.2 acres, as shown on the plan of the said works filed in the office of the Commissioner of Irrigation at Calgary, and in the Department of the Interior at Ottawa, such grant to remain in effect for so long as the works herein referred to are used for irrigation purposes.

Attached hereto is a blue print showing the right of way required.

The Committee advise that the requisite authority be granted accordingly.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

The Minister states that under the provisions of The Railway Act a railway company may acquire of lands vested in His Majesty as much of such lands as may be necessary for the purposes of the railway, on such terms as the Governor in Council may prescribe, and the practice in regard to application of this kind has been to have the land inspected and valued by an officer of the Department of the Interior and then to seek the consent of the Governor in Council for the sale to the company of the land required,—

The Minister recommends,—as in the present instance the land has been inspected and valued by Mr. J. Drew at \$18.00 per acre,—that he be authorized to sell to The Canadian Pacific Railway Company the following land required in connection with their water supply at Halsbury at the rate above mentioned, namely, \$18 per acre :—

[1120]

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 21st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 10th May, 1915, from the Minister of the Interior, stating that by an Order in Council, dated the 11th March, 1910, regulations were established for the disposal of petroleum and natural gas rights, the property of the Crown, under and in accordance with the provisions of section 37 of The Dominion Lands Act ;

That in July, 1912, the available petroleum and natural gas rights, the property of the Crown, in Townships 12 and 13, Ranges 5 and 6, west of the 4th Initial Meridian, including and surrounding the City of Medicine Hat, were temporarily withdrawn from disposal under the provisions of these regulations ;

That the City of Medicine Hat, at whose instance these rights were withdrawn, represent that it is essential to the commercial prosperity of the city that the petroleum and natural gas rights already reserved should not be disposed of to, or diverted by outside interests; that these natural resources, within a reasonable radius surrounding the city, should be available for the development of the industries established, or to be established within the city ; and that the city, while not desiring to exploit such rights, should be given such control of them as might be necessary to prevent the same from being diverted to other centres of population, and to insure their conservation to the city for the extension and development of its several industries :

That representations have been made to the Department of the Interior that the City of Medicine Hat has, at a very large expenditure, bored some eighteen wells within the limits of that city with a view to the discovery of natural gas ; that gas in commercial quantities has been discovered, which is being very fully utilized by and on behalf of the municipality ; and that these wells are capable of producing about 50,000,000 cubic feet of gas per day ;

That certain of the regulations for the disposal of mining rights, the property of the Crown, specifically exclude from their provisions lands lying within the limits of a city, town or village, and while such exclusion is not made in the Petroleum and Natural Gas Regulations it is not the practice of the Department of the Interior to grant leases of the petroleum and natural gas rights under lands which lie within the limits of any incorporated city, town or village ;

That as it appears to be in the public interest that the petroleum and natural gas rights, the property of the Crown, under lands immediately surrounding the City of Medicine Hat should be conserved for the use of the city itself, and as those petroleum and natural gas rights—the property of the Crown—which are within the limits of the city are not, in accordance with the practice of the Department of the Interior, available for lease, the Minister recommends that he be authorized to grant free of charge to the City of Medicine Hat such petroleum and natural gas rights within the present limits of that city as are the property of the Crown, also to withdraw for the present from disposal the available petroleum and natural gas rights under Townships 12 and 13, Range 5, and Township 12 and the easterly two tiers of sections in Township 13, Range 6, west of the 4th Initial Meridian, upon the following terms and conditions :

1. That the above grant and withdrawal of petroleum and natural gas rights, the property of the Crown, shall not apply to lands which have been set apart as school lands in accordance with the provisions of The Dominion Lands Act.

2. That the withdrawal from disposal under the provisions of the regulations of the available petroleum and natural gas rights under the lands described will not operate as an obstacle to the disposal by the Crown or other mining rights under these lands.

3. That the City of Medicine Hat be required to immediately obtain a lease, under and in accordance with the provisions of the regulations of each quarter section within the reserve, but lying outside the present limits of the City, upon which a well has been bored by or on behalf of the municipality with a view to the discovery of petroleum or natural gas.

4. That the City of Medicine Hat, before commencing, in the future, boring or other operations with a view to the discovery or development of petroleum or natural gas on any lands included in the above reservation lying outside the present boundaries of that city, shall apply for and obtain a lease of such rights in accordance with the provisions of the regulations in that behalf.

5. That the available petroleum and natural gas rights under a strip twenty chains wide, extending along the westerly side of the above reservation in Township 13, Range 6, west of the 4th Meridian, shall be established as a neutral zone, and that permission to bore for petroleum or natural gas upon such lands shall not, for the present, be granted.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS section 7 of the Petroleum and Natural Gas Regulations approved by Order in Council of the 19th January, 1914, provides that locations situated in unsurveyed territory, on the margin of a river or lake, shall be located at right angles to the base line of such lake or river established or to be established by the Department of the Interior ; the frontage on the lake or river not to exceed one mile ;

And whereas a lease issued under the provisions of the Petroleum and Natural Gas Regulations referred to no longer conveys to the lessee any right to the surface of the area leased, but includes the petroleum and natural gas rights only ;

And whereas the establishing of a base line of a lake or river front without an actual survey being made on the ground is a matter of some difficulty and likely to cause confusion,—

Therefore His Royal Highness the Governor General in Council is pleased to rescind section 7 of the Petroleum and Natural Gas Regulations, approved by Order in Council of the 19th January, 1914, above referred to, and the same is hereby rescinded accordingly.

ONTARIO.

(212) LAKE ONTARIO—TORONTO—GAS BUOYS MARKING LOCATIONS OF WATERWORKS INTAKE PIPES WITHDRAWN—CAUTION—HARBOUR WORKS—CAUTION.

Gas buoys withdrawn.—The gas buoys which marked the locations of the Toronto waterworks intake pipes during the seasons of 1913 and 1914, have not been placed in position for the season of 1915. All vessels of any draft should keep well outside a zone having its outer boundary one-half mile from the island shore around Gibraltar point.

Toronto harbour works.—During the season of 1915 dredging operations in connection with the Toronto Harbour Improvements will be carried on in the lake east of the Eastern channel and platforms placed on piles will be erected at various points in connection with the work. These platforms are all lighted at night, and are quite visible during the day, but are frequently connected by heavy cables which are invisible. All classes of craft should keep at least 2,400 feet from the shore between Woodbine Avenue and the Eastern channel, so as to clear the outside line of these platforms.

From the Western Channel to the Humber River vessels should keep at least 1,200 feet from the shore, and owners of all classes of small craft are warned that cribwork is being constructed between the two points named along a line approximately 1,100 feet from the shore line. Large sections of these cribs are submerged, and while every effort is made to keep them efficiently lighted at night, safety can only be assured by avoiding the danger area as indicated.

In Toronto Bay works of various kinds are being constructed in the area of water lying east of a line from Parliament Street to the east pier of the Eastern Channel. Inside this area there are many submerged walls, and craft of all descriptions are warned to keep west of the line indicated.

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 6 mai 1915, représentant que le 5 juin 1911 M. Joseph Cornell obtint l'inscription de homestead du quart sud-est de la section 28, township 18, rang 3, à l'ouest du 3e méridien;

Il a été établi que cet inscrit a rempli les obligations de résidence suivantes :—

Du 1er novembre 1911 au 1er février 1912, plus six mois additionnels de résidence en 1912 (dates omises); puis du 1er septembre 1913 au 1er juin 1914.

Il a aussi été établi que cet inscrit a fait sur ce homestead les améliorations suivantes :—

Maison.....	\$100 00
Puits.....	31 00
Terrain défoncé et ensemencé.....	18 acres

Le Ministre fait de plus observer qu'il a été démontré qu'une engelure a privé cet inscrit de l'usage de ses deux mains et qu'il lui est par conséquent impossible de compléter ses obligations de résidence,—

Vu ce qui précède le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20, chapitre 20, 7-8 Edouard VII, M. Cornell soit relevé de ce qui lui reste à accomplir d'obligations de résidence sur son homestead et que patente gratuite lui en soit délivrée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

Au Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 mai 1915, représentant que la compagnie dite "Canadian Northern Railway Company" a demandé la permission d'acheter 225 d'acre dans le quart sud-est de la section 29, township 53, rang 8 à l'ouest du 5e méridien, en rapport avec son service d'eau à cet endroit ;

Le Ministre représente que la pratique du Département a été jusqu'ici de vendre aux compagnies de chemins de fer le terrain dont elles ont besoin dans les sections scolaires pour le passage de conduites d'eau à un prix déterminé par l'inspection et l'évaluation et approuvé par le Gouverneur en conseil, de la même manière que sont vendus aux compagnies de chemins de fer les terrains requis pour le passage de leur voie ferrée,—

Comme dans le cas présent le terrain requis pour le passage de la conduite d'eau dans ce quart de section a été évalué à \$10.00 l'acre par M. J. F. Drew, inspecteur des terres des écoles, le Ministre demande l'autorisation de vendre à la compagnie de chemin de fer "Canadian Northern," au prix mentionné, soit \$10 l'acre, le 225 d'acre requis pour le passage d'une conduite d'eau dans le quart sud-est de la section 29, township 53, rang 8 à l'ouest du 5e méridien.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 26 mai 1915, représentant qu'un certain nombre de personnes se sont établies et ont fait des améliorations sur la section 11, township 15, rang 5, à l'ouest du méridien principal, et qu'il est par conséquent nécessaire de diviser cette section en blocs pour permettre aux gens qui s'y sont établis d'acheter les blocs sur lesquels ils ont fait des améliorations.

Vu qu'il est opportun de permettre aussitôt que possible aux gens qui occupent ces lots de les acheter, le Ministre recommande qu'on l'autorise à les offrir en vente à l'enchère publique dès que les préliminaires de la vente seront complétés. La vente sera faite sujet à une mise à prix fixée après inspection par un fonctionnaire du Département de l'Intérieur.

Dans le but de protéger ceux qui ont fait des améliorations, le Ministre recommande de plus qu'il soit fait une condition de la vente que dans le cas d'adjudications à d'autres qu'à ces derniers l'acheteur sera tenu de payer immédiatement, en outre du premier versement à compte de la vente, la valeur des améliorations faites sur le terrain ainsi que déterminée par l'inspecteur des terrains scolaires, et le montant sera remis à l'auteur de ces améliorations.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21e jour de mai 1915, représentant que Messieurs E. R. Nash et I. et R. I. Stirling ont été autorisés, en vertu des dispositions de la *Loi d'irrigation*, à établir un système d'irrigation avec prise d'eau au creek Battle, sur le quart sud-est de la section 28, township 3, rang 27, à l'ouest du 3e méridien, et qu'en vertu de cette autorisation ils ont arpenté le terrain à irriguer et y ont construit un canal d'amenée avec prise d'eau au creek Battle susdit ;

En vertu de l'autorité que lui confère l'article 54 de la *Loi d'irrigation*, le Ministre de l'Intérieur a établi certains règlements qui permettent la concession gratuite d'une superficie de terrain ne dépassant pas dix acres dans un même quart de section pour le passage de canaux d'amenée lorsqu'il est démontré que, dans l'intérêt du bon fonctionnement du système d'irrigation, la dite concession est nécessaire ;

La présence d'une fondrière sur cette partie du passage du canal d'amenée située sur le quart nord-est de la section 22, township 3, rang 27, à l'ouest du 3e méridien, nécessite une superficie additionnelle à celle de la concession susdite afin de donner au système l'efficacité nécessaire ;

Ce droit de passage a été réservé sur le dit quart de section et est encore propriété de la Couronne,—

Le Ministre recommande, par conséquent, qu'on l'autorise à accorder gratuitement à Messieurs Nash et Sterling un permis d'occupation du terrain nécessaire au passage du canal, ne dépassant pas 18.2 acres en superficie, sur le dit quart de section et tel que décrit sur plan du dit système d'irrigation déposé au bureau du Commissaire d'irrigation à Calgary, ainsi qu'au Département de l'Intérieur à Ottawa. La dite concession restera en vigueur aussi longtemps qu'elle sera affectée aux fins susdites.

Un plan montrant le droit de passage ci-haut décrit est annexé à ces présentes.

Le comité recommande que l'autorisation demandée soit accordée.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21 mai 1915, représentant que la compagnie dite "Canadian Pacific Railway Company" a demandé la permission d'acheter le terrain nécessaire au droit de passage d'une conduite d'eau ainsi que pour l'emplacement d'un château d'eau en rapport avec son approvisionnement d'eau à Halsbury, sur la moitié ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien ;

Le Ministre représente qu'en vertu des dispositions de la *Loi des chemins de fer* une compagnie de chemin de fer peut acheter de Sa Majesté tout le terrain requis pour l'exploitation de son réseau aux conditions prescrites par le Gouverneur général en conseil, et que dans le cas de demandes de cette nature il est d'habitude de faire d'abord examiner et évaluer le terrain par un fonctionnaire du Ministère de l'Intérieur avant de demander le consentement du Gouverneur en conseil à la vente à la compagnie du terrain requis,—

Dans le présent cas le terrain ainsi demandé a été examiné par M. J. F. Drew et évalué par lui à \$18 l'acre, et le Ministre recommande qu'on l'autorise à vendre à la dite compagnie aux prix de \$18 l'acre les terrains dont la dite compagnie a besoin en rapport avec son approvisionnement d'eau à Halsbury, et qui sont décrits comme suit, savoir :—

Droit de passage pour conduite d'eau à travers le quart sud-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 1.235 acres à \$18 l'acre ;

Droit de passage pour conduite d'eau à travers le quart nord-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 0.460 acre à \$18 l'acre ;

Droit de passage pour chemin d'accès sur le quart nord-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 0.518 acre à \$18 l'acre ;

Emplacement du château d'eau sur le quart nord-ouest de la section 29 susdite, comprenant 1.012 acres à \$18 l'acre.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 mai 1915, représentant que le 31 août 1910 fut accordée à madame Annie E. McArthur l'inscription de la moitié sud de la section 12, township 5, rang 30, à l'ouest du 2e méridien, en vertu de la *Loi récompensant certains volontaires* ;

Le Ministre représente que madame McArthur inaugura l'accomplissement de ses obligations de résidence le 15 août 1911, et ce continua jusqu'au 24 décembre suivant, puis du 1er avril 1913 jusqu'au 15 octobre suivant, et du 13 avril 1914 jusqu'au 17 juillet suivant, alors qu'elle fut forcée pour cause de maladie de quitter son homestead ;

Le Ministre ajoute que madame McArthur a près de 77 ans, et, d'après copies soumises de certificats médicaux, il appert qu'elle ne pourra jamais parfaire ses obligations de résidence,—

Vu ces circonstances, le Ministre recommande que madame McArthur soit relevée des obligations de résidence requises par la *Loi des terres fédérales*, afin que patente gratuite de la dite demi-section lui soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

ATTENDU que l'article 7 des règlements régissant les concessions de pétrole et de gaz naturel, approuvés par arrêté en conseil du 19 janvier 1914, stipule que les concessions situées sur des terrains non-arpentés sur le bord d'un lac ou d'une rivière devront être délimitées à angles droit de la ligne de base du lac ou de la rivière, établie où qui sera établie par le Département de l'Intérieur, l'étendue riveraine de la concession ne devant pas excéder un mille ;

Attendu qu'une concession faite en vertu des dispositions des règlements régissant les concessions de pétrole et de gaz naturel susdits ne donne plus de droits de surface au concessionnaire, mais limite les droits de ce dernier au pétrole et au gaz naturel seulement ;

Et attendu que l'établissement d'une ligne de base sur la rive d'une rivière ou d'un lac sans un arpentage préalable, pourrait être une source de difficultés et d'embarras,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de rescinder par ces présentes l'article 7 des règlements de pétrole et de gaz naturel approuvés par le dit arrêté en conseil du 19 janvier 1914.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration, le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

WHEREAS application has been made on behalf of the Methodist Church for a grant for cemetery purposes of two acres of land comprised in the north-west corner of the N.W. $\frac{1}{4}$ of Section 10, Township 50, Range 23, west of the Third Meridian, in the Province of Saskatchewan, for cemetery purposes;

And whereas the Minister of the Interior is of opinion that the application should receive favourable consideration and the land in question is available according to the records of the Department,—

Therefore His Royal Highness the Governor General in Council, under the provisions of section 76 of The Dominion Lands Act, is pleased to set apart and appropriate for cemetery purposes two acres of land comprised in the northwest corner of the N.W. $\frac{1}{4}$ of Section 10, Township 50, Range 23, west of the Third Meridian, in the Province of Saskatchewan, and to authorize a grant thereof to the Methodist Church for the said purposes.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th May, 1915, from the Minister of the Interior, submitting that application has been made by the Canadian Northern Railway Company for permission to acquire .225 acre, in the southeast quarter of Section 29, Township 53, Range 8, west of the 5th Meridian, in connection with their water supply at that point;

The Minister states that it has been the practice of the Department of the Interior to sell the land required in School Sections by railway companies for the right of way of a pipe line at a price determined by inspection and valuation and approved by the Governor in Council in the same way as lands are sold to railway companies for the right of way of the railway,—

The Minister recommends, as in the present instance the land required for the right of way of the pipe line in this quarter-section has been valued by Mr. J. F. Drew, Inspector of School Lands, at \$10 per acre, that he be authorized to sell to the Canadian Northern Railway Company, the .225 acre required for the right of way of a pipe line in the southeast quarter of Section 29, Township 53, Range 8, west of the 5th Meridian, at the price mentioned, namely, \$10 per acre.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 31st day of May, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st May, 1915, from the Minister of the Interior, stating that authority has been granted, under the provisions of The Irrigation Act, to Messrs. E. R. Nash and I. and R. I. Stirling, to construct a system of irrigation works taking water from Battle Creek on the southeast quarter of Section 28, Township 3, Range 27, west of the 3rd Meridian, and that, pursuant to such authority, they have surveyed and constructed a canal or ditch from the said

point of diversion to and across the tract of land to be irrigated;

That by authority vested in the Minister of the Interior by section 54 of The Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches up to but not exceeding an area of ten acres in one quarter section, when such area shall be shown to be necessary for the effective operation of the irrigation system;

That owing to the fact that it is necessary to include a slough in the right of way over the northeast quarter of Section 22, Township 3, Range 27, west of the 3rd Meridian, it has been found necessary to allow a greater area to be included in the right of way in order to effectively operate the irrigation system;

That right of way has been reserved over the said quarter section and title is still vested in the Crown,—

The Minister, therefore, recommends that authority be given for the granting of free right of way license of occupation to Messrs. Nash and Stirling for their works through, over and upon the said quarter section, not exceeding an area of 18.2 acres, as shown on the plan of the said works filed in the office of the Commissioner of Irrigation at Calgary, and in the Department of the Interior at Ottawa, such grant to remain in effect for so long as the works herein referred to are used for irrigation purposes.

Attached hereto is a blue print showing the right of way required.

The Committee advise that the requisite authority be granted accordingly.

Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st May, 1915, from the Minister of the Interior, submitting that an application has been made by the Canadian Pacific Railway Company for permission to acquire the land necessary for the right of way of a pipe line and as a site for a pump house in connection with their water supply at Halsbury, in the west half of Section 29, Township 21, Range 8, west of the 4th Meridian;

The Minister states that under the provisions of The Railway Act a railway company may acquire of lands vested in His Majesty as much of such lands as may be necessary for the purposes of the railway, on such terms as the Governor in Council may prescribe, and the practice in regard to application of this kind has been to have the land inspected and valued by an officer of the Department of the Interior and then to seek the consent of the Governor in Council for the sale to the company of the land required,—

The Minister recommends,—as in the present instance the land has been inspected and valued by Mr. J. Drew at \$18.00 per acre,—that he be authorized to sell to The Canadian Pacific Railway Company the following land required in connection with their water supply at Halsbury at the rate above mentioned, namely, \$18 per acre :—

Right-of-way for a pipe line through the S. W. $\frac{1}{4}$ of Section 29, Township 21, Range 8, west of the 4th Meridian, 1.235 acres at \$18 per acre ;

Right-of-way for a pipe line through the N. W. $\frac{1}{4}$ of Section 29, Township 21, Range 8, west of the 4th Meridian, 0.460 acres at \$18 per acre ;

Right-of-way for entrance road in N. W. $\frac{1}{4}$ of Section 29, Township 21, Range 8, west of the 4th Meridian, 0.518 acres at \$18 per acre ;

Site for pump house in N. W. $\frac{1}{4}$ of Section 29, in question, 1.012 acres at \$18 per acre.

Total 3.225 acres at \$18 per acre.

The Committee concur in the foregoing and submit the same for approval.

Tuesday, the 1st day of June, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 26th May, 1915, from the Minister of the Interior, submitting that, as it has been found that a number of persons have squatted and made improvements on Section 11, Township 15, Range 5, west of the Principal Meridian, it was considered advisable to have this section laid out in small blocks in order to afford the persons who have settled on them and have made improvements an opportunity of acquiring the blocks on which their improvements are situated.

As it is desirable that the persons now in possession of these lots should be given an early opportunity of acquiring the same, the Minister recommends that he be authorized to offer these blocks by sale at public auction as soon as the arrangements for the sale can be completed, the lands to be offered subject to an upset price to be fixed by an officer of the Department of the Interior after inspection.

The Minister further recommends that, in order to protect those who have made improvements, it be made a condition of the sale that the purchaser, if other than the maker of the improvements, shall be required to pay at the time of the sale, in addition to the first installment of the purchase money, the value of such improvements as determined by the Inspector of School Lands for the benefit of the maker of such improvements.

The Committee concur in the foregoing and submit the same for approval.

ONTARIO.

(212) LAKE ONTARIO—TORONTO—GAS BUOYS MARKING LOCATIONS OF WATERWORKS INTAKE PIPES
WITHDRAWN—CAUTION—HARBOUR
WORKS—CAUTION.

Gas buoys withdrawn.—The gas buoys which marked the locations of the Toronto waterworks intake pipes during the seasons of 1913 and 1914, have not been placed in position for the season of 1915. All vessels of any draft should keep well outside a zone having its outer boundary one-half mile from the island shore around Gibraltar point.

Toronto harbour works.—During the season of 1915 dredging operations in connection with the Toronto Harbour Improvements will be carried on in the lake east of the Eastern channel and platforms placed on piles will be erected at various points in connection with the work. These platforms are all lighted at night, and are quite visible during the day, but are frequently connected by heavy cables which are invisible. All classes of craft should keep at least 2,400 feet from the shore between Woodbine Avenue and the Eastern channel, so as to clear the outside line of these platforms.

From the Western Channel to the Humber River vessels should keep at least 1,200 feet from the shore, and owners of all classes of small craft are warned that cribwork is being constructed between the two points named along a line approximately 1,100 feet from the shore line. Large sections of these cribs are submerged, and while every effort is made to keep them efficiently lighted at night, safety can only be assured by avoiding the danger area as indicated.

In Toronto Bay works of various kinds are being constructed in the area of water lying east of a line from Parliament Street to the east pier of the Eastern Channel. Inside this area there are many submerged walls, and craft of all descriptions are warned to keep west of the line indicated.

(226) LAKE ONTARIO—WELLAND SHIP CANAL—PORT WELLER—PIERS UNDER CONSTRUCTION—CAUTION.

Piers under construction.—In connection with the construction of the Welland ship canal, the Department of Railways and Canals have designed a new artificial harbour, Port Weller, at the northern terminal, to afford protection to vessels entering from lake Ontario. This harbour is situate about $2\frac{1}{2}$ miles east of the Port Dalhousie entrance of the existing Welland canal, and will consist of a basin protected by earthwork and riprap breakwaters, terminating in cribworks, running about $1\frac{1}{4}$ miles due north into the lake.

The Department of Railways and Canals are now preparing to sink some cribs in connection with these outer works, and it may at times prove impossible to maintain efficient lights upon them, though every effort will be made to keep the outer extremity marked by fixed white lantern lights.

Caution.—Mariners are therefore cautioned to give the neighbourhood of the proposed piers a wide berth, until they are above water and permanently lighted.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 26 mai 1915, représentant qu'un certain nombre de personnes se sont établies et ont fait des améliorations sur la section 11, township 15, rang 5, à l'ouest du méridien principal, et qu'il est par conséquent nécessaire de diviser cette section en blocs pour permettre aux gens qui s'y sont établis d'acheter les blocs sur lesquels ils ont fait des améliorations.

Vu qu'il est opportun de permettre aussitôt que possible aux gens qui occupent ces lots de les acheter, le Ministre recommande qu'on l'autorise à les offrir en vente à l'enchère publique dès que les préliminaires de la vente seront complétés. La vente sera faite sujet à une mise à prix fixée après inspection par un fonctionnaire du Département de l'Intérieur.

Dans le but de protéger ceux qui ont fait des améliorations, le Ministre recommande de plus qu'il soit fait une condition de la vente que dans le cas d'adjudications à d'autres qu'à ces derniers l'acheteur sera tenu de payer immédiatement, en outre du premier versement à compte de la vente, la valeur des améliorations faites sur le terrain ainsi que déterminée par l'inspecteur des terrains scolaires, et le montant sera remis à l'auteur de ces améliorations.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21e jour de mai 1915, représentant que Messieurs E. R. Nash et I. et R. I. Stirling ont été autorisés, en vertu des dispositions de la *Loi d'irrigation*, à établir un système d'irrigation avec prise d'eau au creek Battle, sur le quart sud-est de la section 28, township 3, rang 27, à l'ouest du 3e méridien, et qu'en vertu de cette autorisation ils ont arpenté le terrain à irriguer et y ont construit un canal d'amenée avec prise d'eau au creek Battle susdit ;

En vertu de l'autorité que lui confère l'article 54 de la *Loi d'irrigation*, le Ministre de l'Intérieur a établi certains règlements qui permettent la concession gratuite d'une superficie de terrain ne dépassant pas dix acres dans un même quart de section pour le passage de canaux d'amenée lorsqu'il est démontré que, dans l'intérêt du bon fonctionnement du système d'irrigation, la dite concession est nécessaire ;

La présence d'une fondrière sur cette partie du passage du canal d'amenée située sur le quart nord-est de la section 22, township 3, rang 27, à l'ouest du 3e méridien, nécessite une superficie additionnelle à celle de la concession susdite afin de donner au système l'efficacité nécessaire ;

Ce droit de passage a été réservé sur le dit quart de section et est encore propriété de la Couronne,—

Le Ministre recommande, par conséquent, qu'on l'autorise à accorder gratuitement à Messieurs Nash et Sterling un permis d'occupation du terrain nécessaire au passage du canal, ne dépassant pas 18.2 acres en superficie, sur le dit quart de section et tel que décrit sur plan du dit système d'irrigation déposé au bureau du Commissaire d'irrigation à Calgary, ainsi qu'au Département de l'Intérieur à Ottawa. La dite concession restera en vigueur aussi longtemps qu'elle sera affectée aux fins susdites.

Un plan montrant le droit de passage ci-haut décrit est annexé à ces présentes.

Le comité recommande que l'autorisation demandée soit accordée.

Greffier du Conseil privé.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21 mai 1915, représentant que la compagnie dite "Canadian Pacific Railway Company" a demandé la permission d'acheter le terrain nécessaire au droit de passage d'une conduite d'eau ainsi que pour l'emplacement d'un château d'eau en rapport avec son approvisionnement d'eau à Halsbury, sur la moitié ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien ;

Le Ministre représente qu'en vertu des dispositions de la *Loi des chemins de fer* une compagnie de chemin de fer peut acheter de Sa Majesté tout le terrain requis pour l'exploitation de son réseau aux conditions prescrites par le Gouverneur général en conseil, et que dans le cas de demandes de cette nature il est d'habitude de faire d'abord examiner et évaluer le terrain par un fonctionnaire du Ministère de l'Intérieur avant de demander le consentement du Gouverneur en conseil à la vente à la compagnie du terrain requis,—

Dans le présent cas le terrain ainsi demandé a été examiné par M. J. F. Drew et évalué par lui à \$18 l'acre, et le Ministre recommande qu'on l'autorise à vendre à la dite compagnie aux prix de \$18 l'acre les terrains dont la dite compagnie a besoin en rapport avec son approvisionnement d'eau à Halsbury, et qui sont décrits comme suit, savoir :—

Droit de passage pour conduite d'eau à travers le quart sud-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 1.235 acres à \$18 l'acre ;

Droit de passage pour conduite d'eau à travers le quart nord-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 0.460 acre à \$18 l'acre ;

Droit de passage pour chemin d'accès sur le quart nord-ouest de la section 29, township 21, rang 8, à l'ouest du 4e méridien, comprenant 0.518 acre à \$18 l'acre ;

Emplacement du château d'eau sur le quart nord-ouest de la section 29 susdite, comprenant 1.012 acres à \$18 l'acre.

Total, 3.225 acres à \$18 l'acre.

Le comité soumet cette recommandation pour approbation.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 mai 1915, représentant que le 31 août 1910 fut accordée à madame Annie E. McArthur l'inscription de la moitié sud de la section 12, township 5, rang 30, à l'ouest du 2e méridien, en vertu de la *Loi récompensant certains volontaires* ;

Le Ministre représente que madame McArthur inaugura l'accomplissement de ses obligations de résidence le 15 août 1911, et ce continua jusqu'au 24 décembre suivant, puis du 1er avril 1913 jusqu'au 15 octobre suivant, et du 13 avril 1914 jusqu'au 17 juillet suivant, alors qu'elle fut forcée pour cause de maladie de quitter son homestead ;

Le Ministre ajoute que madame McArthur a près de 77 ans, et, d'après copies soumises de certificats médicaux, il appert qu'elle ne pourra jamais parfaire ses obligations de résidence,—

Vu ces circonstances, le Ministre recommande que madame McArthur soit relevée des obligations de résidence requises par la *Loi des terres fédérales*, afin que patente gratuite de la dite demi-section lui soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

ATTENDU que l'article 7 des règlements régissant les concessions de pétrole et de gaz naturel, approuvés par arrêté en conseil du 19 janvier 1914, stipule que les concessions situées sur des terrains non-arpentés sur le bord d'un lac ou d'une rivière devront être délimitées à angles droit de la ligne de base du lac ou de la rivière, établie ou qui sera établie par le Département de l'Intérieur, l'étendue riveraine de la concession ne devant pas excéder un mille ;

Attendu qu'une concession faite en vertu des dispositions des règlements régissant les concessions de pétrole et de gaz naturel susdits ne donne plus de droits de surface au concessionnaire, mais limite les droits de ce dernier au pétrole et au gaz naturel seulement ;

Et attendu que l'établissement d'une ligne de bas sur la rive d'une rivière ou d'un lac sans un arpentage préalable, pourrait être une source de difficultés et d'embarras,—

Au Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 mai 1915, représentant que la compagnie dite "Canadian Northern Railway Company" a demandé la permission d'acheter 225 d'acre dans le quart sud-est de la section 29, township 53, rang 8 à l'ouest du 5e méridien, en rapport avec son service d'eau à cet endroit ;

Le Ministre représente que la pratique du Département a été jusqu'ici de vendre aux compagnies de chemins de fer le terrain dont elles ont besoin dans les sections scolaires pour le passage de conduites d'eau à un prix déterminé par l'inspection et l'évaluation et approuvé par le Gouverneur en conseil, de la même manière que sont vendus aux compagnies de chemins de fer les terrains requis pour le passage de leur voie ferrée,—

Comme dans le cas présent le terrain requis pour le passage de la conduite d'eau dans ce quart de section a été évalué à \$10.00 l'acre par M. J. F. Drew, inspecteur des terres des écoles, le Ministre demande l'autorisation de vendre à la compagnie de chemin de fer "Canadian Northern," au prix mentionné, soit \$10 l'acre, le 225 d'acre requis pour le passage d'une conduite d'eau dans le quart sud-est de la section 29, township 53, rang 8 à l'ouest du 5e méridien.

| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000..... | 400 00 |
| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou de modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.
